To Whom It May Concern:

RE: Letter of Recommendation for Sandra Wilson

I have worked with Sandra Wilson for the past 18 years, since I have been Sheriff of Maricopa County.

Over that period of time, Ms. Wilson has proven herself to be a valuable County asset, competent and professional in managing her staff and assigned responsibilities. Her cooperation, decision making skills and input have been invaluable in resolving difficult issues.

I would recommend her for any position she seeks at her current level of management or above her current level of management.

I encourage you to call me at (602) 876-1829, to discuss Ms. Wilson's professionalism and collaborative demeanor. Thank you.

Sincerely,
